Gala Sponsorship

Generous community members and organizations are integral to the fulfillment of DYPAC's goal - to provide a performing Arts theatre and learning center to offer Downriver youth a supportive and safe environment to grow emotionally and creatively.

Your support is important and much needed during this next stage of our development. Please consider a meaningful gift that will grow exponentially through improvements to the Trenton Village Theatre and the children we serve.

As we continue to embark on this particular journey to a far away land that once held a shining castle, we wish to bring you along as one of our main cast supporters.

Please check the box below that best reflects the sponsorship level you choose to provide
