

Dear Parents-

Please make sure you pick up your raffle tickets. This was a commitment that you agreed to as well as selling one page in ads.

We need the funds from both of these efforts to be able to complete this show in the black. The Wizard of Oz, particularly with a cast of 124, is an expensive show to produce. We are counting on your support! If you have not picked up your raffle tickets, please get them from the producers at any rehearsal. If there is a rehearsal scheduled, you may stop by for them even if your child is not rehearsing.

the first bonus drawing(\$200) is not long away! The final drawing is November 24th- \$5000 is the grand prize! We can all use that!

Please keep your commitment and sell those tickets! Thank you!

We also have flyers ready to put up around town! Remember- put your name on the back- a treat for you if we see it! These may also be picked up at the theatre whenever there is rehearsal or Saturday during the Fall Workshops(9-3) as Debbie will be there.

Nancy Weil is the program chair and will be getting materials out soon for BAL ads. We also need to sell ads! You are each responsible for one page of ads.

Top raffle tickets sellers to date are: Dominic Garcia and Salvador Delatorre!!  
Thanks for your hard work!!

Please check the poster at the theatre that has everyone's name on it. This is how your child's name will appear in the program as this is the master list.  
PLEASE CHECK THIS AND VERIFY!!!

We appreciate ALL of everyone's efforts!!

Workshop Saturday for costumes- anyone adults who can attend - your attendance is appreciated! 10am-3 at the dental office! Back door, upstairs. Parents of Jitterbugs- this workshop is especially for you! We have lots of other projects, too!

Thanks to those Moms who have taken items home, too! We hope to be updating Ozian needs this weekend so if you are an Ozian, be patient, and we will notify you as to costume needs as soon as we know!

Thanks to Dr. Jackson's staff for being so support of our costume craziness at the office!

Please check the website frequently!

Mentoring Day is Monday evening- fun and bonding! Any parents who can help, please email [dypac@dypac.com](mailto:dypac@dypac.com) to let us know you will be helping!

Thank you!
