

MENTORING DAY IS POSTPONED-DO NOT ATTEND ON 7TH

Kyle Schultze asked us to put out a mass message letting the cast know that we still need a warehouse space to build sets, that possibly could be big enough to rehearse in as well. We would want this to be as close to Trenton Theatre as possible so people do not have a long distance to drive.

Oz cast members,

Please refer to the schedule that can be downloaded. The calendar linked to our site is really for scheduling of the theatre, but the schedule that you can print should be the most up to date.

If you have an objection to distribution of your name, address, email, telephone, please alert us. DYPAC is very careful about protecting personal information, and the list is intended for use with this cast only, not for inclusion in marketing for any other group or for individual marketing.

However, many of you have asked for the cast list so you might connect for rides, etc. We are willing to do this, but we need you to notify us if you **DO NOT WANT** your information included.

We will then delete your information. We are very protective of and sensitive to your privacy desires. Each board member and each production team members signs a confidentiality agreement and your information should be used only for this show or for DYPAC.

We will be emailing everything in the folders and will be alerting you when to pick up your raffle tickets. We would like to collect a check for \$40 from you up front. You then sell the tickets and keep what you sell.

Tickets are \$5 each or 5/\$20. We will hold these checks until tech week to cash so you have plenty of time to sell. We do have prizes for those children who sell the most raffle tickets. Call Debbie Jackson 671-2202 or email dypac@dypac.com to arrange for additional tickets.

We will also have a contest for the most ads sold (and we will be getting this info to you soon) , but minimally we need each cast member to sell one page. Again, we have prizes for the child who sells the most!

If we confuse you, which is highly possible, as we confuse ourselves often, just email or call, and we will be glad to straighten things out!

The Oz Production Team
