

Clarification of Tights!

A child is either a poppy or a snowflake- no one is both. So that means only one pair of leotard and tights -this is what the \$22.00 per child is for.

Second, jitterbugs have not been sketched yet so Shelly doesn't know what kind of tights she wants them to use yet. They may just need to get tights from the store. Stay tuned.

For the Ozians it is panty hose for the big girls to go with their character shoes. They will purchase these on their own, but don't wear the hose yet to practices- only the shoes. If you are not sure if you are big or little girl- email and we will find out the answer from Shelly.

Little girl Ozians will be in little girl shoes with white socks- again, stay tuned for details and and little girls should just wear street shoes to practice in.

If you are not sure if you are big or little girl- email and we will find out the answer from Shelly.

We do have some loaner character shoes. If you do not have and need and do not feel you can purchase, please email dypac@dypac.com and Debbie Jackson will make an appointment with you to try on those in the shed.

To those who have emailed with questions, Shell says" again, these are good questions and that means ya'll are paying attention!" spoken with a little southern drawl!

The Lullaby League is also on this list- if you have already had to pay for purchase of tights for another dance, dypac will cover the second set, but please inform Shelly.

*Anytime you have questions, email dypac@dypac.com and it will be forwarded to the correct person!
Thank you!*
