

Thank you all for being so patient.

My apologies- sometimes when I (Debbie Jackson) am writing notes, it is so clear in my head, but not clear to others!

When just a color of shoe is listed, it means either ballet or jazz (whichever you can find)

The only ones needing Mary Janes are the Jitterbugs or the Little Sisters- Male Jitterbugs will wear black Jazz shoes.

It will say character shoe if a character shoe is needed- these are a (usually) tan or black (but Shelly wants tan)- They are a dance shoe with a hard sole and a heel. If you google "character shoe" and click images, you will see what they look like.

These may be hard to find for the smaller sizes.

If I confuse you, just email, and I will find the answer if I do not know!

Monkeys will need to send in \$22 for their tights and leotards, which I omitted in the last email.

Older boys have leggings to go over as we know that is a guy issue! If there is any monkey with a latex allergy issue, please let us know!

There is a monkey mouth/cheeks scheduled to be worn.

Mr. Brown will explain more about the Jitterbug idea as it is his creation. It is a band that will play in the Jitterbug scene and will look like skeletons, wearing hoodys

that zip ALL the way up to create a skeleton face. Just another fun role to add in for the kids! If you were assigned to it and do not want to be it, just let us know. We will pass it along to someone else!

Also, we will be ordering garmet bags. They will be approximately \$20 with your child's name embroidered on them. Attached is a form if you are interested. If you do not order, it is fine, but you will need a cloth garmet bag, labeled with your child's name, and that can hold 2-4 costumes. Order deadline is October 10. You need not pay first, we will collect when they come in.

Look closely at the Saturday rehearsals- some are at Trenton Theatre and some are at Our Lady of the Woods! Basically, if it is before 3pm, it is at the church, and after 3pm, at the theatre. This is because we have workshops going on at

the theatre until 3pm through October 18. Again, thank you all for rolling with all of our changes so well!

Thank you also for all of the ads and raffle tickets you are selling. Remember that the ad deadline is approaching, so please fulfill your one page commitment. An easy way to ask for ads is to mail to local businesses and enclose a handwritten note from the child.
